SUBJ: RAC Meeting - Committee Chairs

This is to inform you that the RAC meeting scheduled for Tuesday, June 22, is still on. It will begin at 1:00 PM in the conference room at the Sanctuary office (see address above). The meeting will be for the subcommittee chairs to provide comments and suggestions on the Draft Sanctuary Research Plan mailed to each on you last month. We will incorporate those suggestions into a second draft and send it back out to all members for review. If you have comments please get them to your chair representative or send them directly to me.
